

# A Call for Applications from Canadian SMEs

Application Deadline is October 2, 2009

The Award for New Technology recognizes innovative excellence in the development, adoption, and application of new technology in process or products.

## 2009 / 2010 REGIONAL AWARDS for New Technology

●  
In each of the five IRAP regions across Canada (BC/Yukon, Western Canada, Ontario, Quebec, and Atlantic/Nunavut), one award winner and two finalists will be selected and recognized for their outstanding achievements.

●  
Regional award presentations will be held to honour the award recipient and finalists for their innovative excellence in new technology.

●  
Regional award recipients will be showcased in CME's national *20/20* magazine.

●  
Award recipients will be publicized in a regional press release.

One of the five Regional Award recipients will also be selected to receive the prestigious 2009/2010 CME National Innovation Award for New Technology, which will be presented at the CME Awards Gala Ceremony in Ottawa, Ontario in February 2010.
